December Youth Events

December can tend to be a really crazy month. While it's filled with tons of fun activities, great food, time with family & friends, it can also be a time when things get really super busy. Because of that, we're trying to not plan too many extra things for you this month. But, please do check out the things on the sidebar on the right that you might be interested in coming to.

CAs go to PIER 39

We will continue with our tradition of taking the CAs to Pier 39 for an afternoon of shopping and fun. The details are on the right, and please also download the permission form from the website on the Youth Parent

Page. You need to RSVP for this trip by **Monday, December 15**. You can RSVP by emailing/calling/texting Adam.

CAs & MYF Joint Christmas Party

I hope you'll join us for a Christmas party at Sarah and Adam's house (1764 Peary Way) on Saturday, December 20th. We'll have some great food, fun Christmas games and of course the White Elephant Gift Exchange. Please bring a gift that is under \$10 in value and be prepared to have fun. RSVP for this as well by Monday, December 15 if you can.
