Youth 1-Day Mission to Oakland with CityTeam Ministries

We have the chance to participate in a one-day mission to Oakland next Wednesday, November 11th, to work with CityTeam Ministries. We have room for **10-12** youth to volunteer for this fun day of serving the community in Oakland. We'll be leaving the church at around 9am and back around 5pm. We'll be helping out with food preparation, cleaning, organizing and shelving food in their food pantry and probably other things as well. We will also need **at least 1 more adult leader** to go with us and drive. Please RSVP with Adam as soon as possible: You can email Adam at AdamWC@asburylive.org or call or text him at 609/933-4000.

Youth Sunday

We have Youth Sunday again on November 22nd. The youth of the church will be leading some of the music, participating in other portions of the service and maybe even helping out with the sermon! We'll be doing some of the preparation during CAs & MYF but everyone will need to come to the Youth Sunday Practice on Saturday, November 21st, from 3-4pm.

Update on Mission Trips & Fundraising

We are now finalizing our youth mission teams (our high school team will be serving at the Sierra Service Project this summer and our middle school team will be serving in San Francisco with the Center for Student Missions). If you are on one of these teams, please be looking for information about our first team meeting. Also - each person going on a mission trip this summer needs to participate in **at least 2** fundraisers. So please be on the lookout for information about fundraising and please plan on participating. The more money we raise - the less money you will have to pay to go on the mission trip!
