Thank You!
As one of your Pastors, who is also privileged to represent you as President of the Livermore Homeless Refuge Advisory Council, I just want to say an emphatic "Thank You!"
For your willingness as a congregation to welcome homeless persons into our youth building facilities overnight when it is cold and wet.
For your commitment to share financial resources from our annual budget, and through special offerings, to equip the Livermore Homeless Refuge with resources to provide basic assistance to those who lack a roof over their heads.
For building a Fellowship Hall which helps provide healthy, hot meals and showers to those within our community who need them – free of charge.
For working at Open Heart Kitchen serving meals and hosting the guests, and taking shifts at LHR overnight here at Asbury, and at other churches, and doing so with a loving spirit of hospitality.
A small fact about Livermore Homeless Refuge, and what has been achieved since the first of January: the Refuge has been open every night and provided 910 nights of lodging in the last seven weeks.
During this season of Lent – when we are invited to consider journeying with Jesus toward Jerusalem – it is commendable that our congregation has been journeying with an attitude of compassion and concern with those who need people of faith to come alongside them. To offer the most powerless around us encouragement, respect, inclusion and kindness makes me extremely thankful and proud to be one of your pastors.
In this holy season when we are studying the life and teachings of Jesus, I am mindful that so many of you daily put Jesus’ commandment to “love God and neighbor” into action.
Thank you for your witness to the love of God.
Grace and peace,
Pastor Chuck

United Methodist Women Update

**Evening Circle** is our newest group and meets the first Thursday of the month in the evening in members homes. This circle is using "The Wired Word," a question and answer format based on a current event from the week. It is an exploration of our world and how we interpret our own Christian values. Led by Burlyne Wilson and Mitchie McCammon.

**Next meeting**

For those who can, we may take a short walk around the campus. The meeting begins at 9:30 a.m. in the Fireside Room and concludes at 11:00 a.m. Refreshments will be provided as well.

There are opportunities for all and sewing knowledge is not a requirement.

Room 11/12
Asbury’s Flower Group

We thought that it was about time that you know all about our flower group, where your money goes when you buy flowers on Sunday and how you could become a part.

The flower garden is located behind the Sanctuary. We plant, cut, weed, and gather bouquets on Saturday morning to sell after church on Sunday. ALL of the money, after expenses, goes into the flower fund to be used for various things around the church grounds.

The flower fund is self-sufficient and does not get any money budgeted for it. Here are a few of the things that we have done with the money from flower sales:

- Most importantly it pays for buying flowers (when we aren't growing them) to make Altar arrangements throughout the year.
- Helped pay for some of the landscaping for the new Fellowship Hall
- Helped pay for new lights over the bell choir area and toward a new handbell
- Large artificial Christmas tree for the kids
- Donated a number of times to youth projects and mission trips
- Entrance rugs for the front and back of the Sanctuary
- Plants in the Sanctuary
- Money to each of the choirs for new music
- Decorated two women's restrooms
- HEIFER project
- Feed many birds with the seeds

We love volunteers and would welcome you for a time you have to give. We have fun in the garden as well as go on field trips and out to a meal once or twice a year.

You can’t find a better place to feel close to God and God’s creations. If you are interested, please talk to any of the following: Pat Baker, Dee Bing, Martha Fields, Jolin Gully or Glenda Warren.

Asbury Players

MURDER MOST FOULED-UP, a comedy by the award-winning playwright, Nikki Harmon, presented by Asbury Players Community Theater. It’s the madcap story of a greedy family, a confused household staff and some unhappy spirits who only have 24 hours to find the treasure hidden by the diabolical Edwin Randolph and his ancestors. Who will find the money and the land grant first? Will everyone live (and die) happily ever after? Find out when you come see the funniest show in Livermore!

Performances March 2, 3, 8 and 9, 2013. Show time Friday and Saturday 8:00 p.m.; Sunday matinee 2:00 p.m. General admission $10.

Tickets available at the door or online at asburylivepresents.com. For more information about this show or about Asbury Players Community Theater, contact Barbara David at home.

Prayer Partner

Each month, we pray for our youth and young adult ministry. This month, let’s pray for all the adults who work with our youth in Sunday School and fellowship time. Yosh Nakajima is our Director of Youth and Young Adult Ministries, and works with an incredible group of adult volunteers. This month, we hold them all in our grateful prayers. We ask that they receive the strength, love, patience, guidance and encouragement they need.
Women's Retreat

March 15-17, 2013
"Instructions for living a life: Pay Attention. Be Astonished. Tell about it." (Mary Oliver)

At the Women's Retreat at Westminster Retreat Center in Alamo, we will take these instructions to heart, as we explore our topic, Living Life Fully. Cost for weekend is $150. Sign up after worship on Sundays, or by calling the church office at 925-447-1950. Invite a friend, and enjoy a weekend of renewal, companionship, and home cooked food.

2013 Backpack Project Summary

This year the Interfaith Backpack Project enters its third decade of providing backpacks to children from families that are struggling financially. For several years now, Asbury has donated 100 middle/high-school backpacks filled with supplies at the beginning of the school year. This year we will be capitalizing on a donation of empty elementary school backpacks by Costco to provide a total of 145 backpacks for approximately the same total offering.

Our 2013 commitment is 75 of the "usual" middle/high-school backpacks. In addition, we will provide supplies that will fill 70 elementary school backpacks. These elementary school backpacks will go to Livermore children whose families meet the income eligibility guidelines for free meals under the National School Lunch Program.

"The Long Goodbye" Support Group Welcomes New Participants

This small group meeting twice a month is open to new attendees – at any time. Focused on issues that are challenging to caregivers, assisting loved ones or friends dealing with dementia, we offer information sharing and support. Join us on the second and fourth Tuesdays of each month at 11:00 a.m. in the Chapel. We meet for approximately an hour for conversation that offers encouragement and confidentiality. For more information, or if you have questions, please contact Pastor Chuck Johnstone at 925-447-1950 or by e-mail.

Leadership Events

Leadership events for the El Camino Real District will be held on Saturday, March 2, and 16. The preacher for the events will be the Rev. Kristie Olah, district superintendent, and the Rev. Greg Bergquist, conference superintendent for leadership development. Olah will preach on the theme "Your Call to Lead" and Bergquist will lead a workshop and presentation entitled "Leading Through Change."

The event is open to all (church leaders, church members, and clergy) and there is no charge to attend. The same material will be presented at each location on each of the two Saturdays.

The first event is Saturday, March 2, from 8:45 a.m. to 12:15 p.m. at Walnut Creek United Methodist Church, 1543 Sunnyvale Ave., Walnut Creek. Register for this event by February 27. The second event is Saturday, March 16, from 8:45 a.m. to 12:15 p.m. at Almaden Hills United Methodist Church, 1200 Blossom Hill Road, San Jose. Register for this event by March 13.

Register online at cnumc.org, then click the Registration and select "El Camino Real District Leadership Event" or call the District Office at (916) 374-1501 and register your name and the church you attend.

There is no charge for these events. Coffee, juice and pastries will be provided.

Hospitality

We are looking for volunteers to spend 20 minutes or so on Sunday mornings serving as host/hostess at the Information Table. Responsibilities would include being friendly and answering any questions. Asbury is full of gracious people of all ages. Please will you consider answering this call? Contact Tina for more information and to schedule a time to serve. Please note: we need several folks to sign up for Easter Sunday as we have three services and expect many visitors.
Finance Update—Our Two Cents

There are just a couple of quick updates from the Finance Committee.

Solar Panels

According to a recent analysis by Dick Crawford, we averaged over $1000 per month of electricity generation in the past nine months with our new solar panels. In the summer months, generation was as high as $1900 per month. Thank you to those who contributed to the solar installation. The panels are paying off!

Debt Retirement

From January 2012 to January 2013 we retired just short of $100,000 of the debt on the Fellowship Hall. With just $274,000 left to pay off, we could be out of debt in as little as three more years! Please continue to be faithful to your pledge commitments to pay off our debt.

Helping Asbury—For Free!

Get More Than Just Groceries at Lucky!

If you buy groceries at Lucky Supermarket, there is a painless way to help either Asbury OR Garden of Grace financially.

The Lucky stores donate 3% of the grocery bill amount to Asbury OR Garden of Grace – depending upon whose card you are using. This is done through the S.H.A.R.E.S. program at Lucky: Supporting Humanities, Arts, Recreation, Education & Sports.

Asbury has participated in this program for years. We have earned enough money to buy the TV screens at the front of the Sanctuary, as well as put money towards landscaping and other under-budgeted or non-budgeted items. The Garden of Grace has just begun using this program to help with their costs.

To participate, all you have to do is get a S.H.A.R.E.S. card from Jean Braun for the Asbury account, or a card from Bruce or Dori Campbell, which will put your donations towards Garden of Grace. Then, have the cashier swipe the card BEFORE you pay for your groceries. It’s that easy. Depending upon whose card you use, 3% of the value of the grocery bill is automatically credited to the account designated on the card. Lucky makes electronic payments to the named non-profit group on a regular basis.

Even though you don’t do your major shopping at Lucky, please consider getting a card for those quick trips you make there. Every little bit helps. Not to mention, if you’re like me, I come home with more than just the one item I ran to the store to get! Make it count double and help either Asbury or Garden of Grace!

Safeway Shoppers Help Asbury’s Wish List!

If you buy groceries at Safeway Supermarket, there is a painless way to help Asbury financially. It’s through e-scrip.

If you register your credit card through Safeway, and name Asbury as the organization you would like the extra money to go to, they will donate 2% of your grocery bill total to Asbury! You can talk to LaNor Smith to have her register you, or to get more details on how to do it yourself.

Asbury has benefitted from e-scrip for years. It has helped us fund projects we didn't have enough money to do. Please consider signing up for the e-scrip program, even if Safeway is not your primary grocery store. It’s amazing how those “small” shopping trips add up. Asbury thanks you!
Update Haiti: What a Mission!

We are pleased to report that our recent mission to Haiti was a great success. The new computer lab at the Thomas School went live with the first three teacher training sessions. We delivered six refurbished laptops for classroom use. The new solar panel system is now providing all of the school’s power. Electric lights have been installed in all classrooms. The rain water catch system is now complete and ready to provide an abundant source for the new water filtration system. We met with both students and teachers to better understand how to provide computer based educational support.

So what does this all mean? It means that the opportunity for an improved quality of life is within the grasp of the Thomas church school. Students eager to learn will be afforded new horizons. Teachers will have new tools at their disposal. Clean water will be more readily available. Electric power, so often not available, becomes an enabling resource.

It was great to see that the school lunch part of our Food Program continues to operate very well under the leadership of the Haitian team. This team of volunteers provides a cooked plate lunch every school day to all students, teachers and staff. Supported by mission teams, the school garden is built and ready to be seeded. The local Haitian staff is a capable, resourceful and industrious team ready to operate their new environment. It is an exciting time at Thomas.

Our ministry of presence – being there as a faithful, encouraging partner plus providing some seed money and technical expertise has been the catalyst the Thomas church and school needed to move forward. They will do the rest. The teachers are energized by the investment in them. The kids are all smiles whether at play or on the computers with us. It is our prayer that these days are the turning point for a struggling school, in economically challenged times, in a country still recovering from a devastating earthquake.

While our team of eight from Asbury and Lynnewood UMC worked hard, there was plenty of time to laugh, to share devotional moments, to hang out with the kids, to engage with our Haitian hosts. We provided a movie and popcorn night for the community. We shared in worship services with a congregation that really knows how to celebrate their faith. We were all touched by the life stories of our closest Haitian friends.

A fitting end to our time in Thomas was the last night. Our hosts organized a modest going away party for us. As we shared a bit of cake, a God moment happened. It started raining. We cheered as we realized that the rain catch water was flowing into the water storage tanks. How wonderful!
Update from Pastor Kim

In 2012, a team exploring the relationship between faith, sexual orientation and gender identity, concluded their work by writing a welcome statement. In October, the Church Council approved this statement.

In the year ahead, we will have public forums to invite your input. The current draft of our welcome statement is:

Asbury UMC welcomes everyone to our campus and community of faith. We are committed to treating everyone with respect and consideration without regard to race, religion, gender, sexual orientation, national origin, cultural background, disability or age.

Asbury Digs Deeper!

Due to the generous donation from an Asbury family, Trustees have signed a contract to have an irrigation well dug. This will be happening in the next few weeks, located just south of the Garden of Grace. Water from this well will be used to irrigate the lawns and plantings around the church as well as the Garden of Grace and the Asbury garden plots. Although it will use some electrical power, it will cost significantly less than the $4,800 spent on irrigation water last year. The only change you will notice is the drinking fountain in the Sanctuary will be replaced with bottled water.

Blood Drive Goes Monthly!

The Livermore community blood drive celebrated its tenth anniversary in December. The drive has been so successful, having collected over 3100 units of badly needed blood, that the American Red Cross has asked to increase the number of drives held here.

Church Council approved the increase of the Fellowship Hall usage, and starting in March, we’ll host a monthly blood drive. This will give donors more flexibility. In case donors miss one due to being ill or travel, they can make it up the next month and not have to wait two full months.

Donors can still only give every 56 days (8 weeks apart) for a whole blood donation, or every 112 days (16 weeks apart) for double-red donations using ALYX.

We hope that this will give people more choices to work around their schedule.

Upcoming drives are scheduled for:

- March 29
- April 19
- May 31
- June 21
- July 26
- August 16
- September 20
- October 18
- November 15
- December 20

Project Grace—Explain "mercy" and "grace"

If I'm driving 50 mph in front of East Avenue Middle school, and a cop pulls me over. I ask the cop, "Please give me mercy." If they gave me mercy, they would not give me the speeding ticket.

Mercy is when you don't get what you deserve.

If I'm driving 50 mph in front of East Ave Middle School, and a cop pulls me over. I ask the cop, "Please show me grace." If they showed me grace, they would not give me the speeding ticket, but they also might give me an ice cream cone.

Grace is when you get what you don't deserve.

If there was an imaginary line in life that we called the "wholeness" line, where we would be if we were living our lives perfectly, I know through my personal experience that I am often not at that line. In fact, I sometimes wonder if I was born with a shovel... I often dig holes myself.

The act of mercy, is the idea that that hole if filled up. It makes sense to tie it into the idea of forgiveness. God’s forgiveness restores us and makes us whole again!

Grace however, is a totally different concept! Not only does God fill up the holes in our lives, God heaps goodness on us to make us even more than whole! A God of grace is one of the things I love about Christianity, and as United Methodists, we believe that God heaps this grace on everyone (yes, even middle schoolers)!

Last month, I came upon a harsh realization: I love that God is graceful, but I don't practice grace myself.

I'm pretty good at the mercy/forgiveness bit. When someone makes a mistake, I try my hardest to forgive and to restore that person. I don't, however, heap goodness on them; I don't practice grace.

Two weeks ago, after explaining mercy and grace, I challenged our youth. The challenge was: whenever they found themselves with a hole in their wholeness line caused by someone else, to try to practice grace. To not only restore, but to make more.

1. Give someone who caused you harm, who doesn’t deserve it, something like a fun sized candy bar
2. Tell me the story
3. I will reimburse them for their candy bar

I asked the youth to give the item without explanation. If the recipient asks why, I told them to just say, "my youth leader told me to". If the person asks why again, then they can explain the whole thing.

It is my hope that as a Christian I can practice more grace! Please join me, I would love to hear your stories of grace too!

Yosh

*although biblically grace was taken to the point of Jesus dying for us, I cannot advocate it if the situation is abusive. Please seek help if that is the case*

Second annual Volunteer Appreciation Event—This is a BBQ and swim party at Tina’s. It is for all volunteers at Asbury, not just those working with kids. It takes place on Memorial Day beginning at 4:00 p.m. Hopefully folks will be returning from trips and eager to share in this fun time of fellowship.

**July 15-19**
Vacation Bible School—The Lost Medallion is faith-based, family, action/adventure film that is appropriate for children and tweens, parents and grandparents. We will try to schedule a movie night with our kids/families, but don’t have theater locations/times as of the deadline for the newsletter. Look for more information in the weekly bulletins and announcements.

**About Summer Camps**
I would like to take this opportunity to plug summer camps. While VBS is a very important part of our culture and a terrific way to share stories and lessons from the Bible, summer camps are known to also have a dramatic impact on the spiritual development of children and youth (and the adults/teens that lead them).

The summer of 2013 offers the following camps in our area:
- June 22-26: Urban Camp for 9th to HS (Waller Center, SF)
- July 7-12: Toyon Kids Camp for incoming Grades 3-6 (Monte Toyon, Aptos)
- July 7-12: Camp Quest for incoming Grades 7-9 (Monte Toyon)
- July 7-12: LIT (Leader in Training) for 16-19 year olds (Monte Toyon)
- July 7-12: Impact LIT for 16-19 year olds(Monte Toyon)
- July 14-20: Super Kid Camp for incoming Grades 3-6 (Lodestar)
- July 14-20: Super Camp for incoming Grades 7-9 (Lodestar)
- TBD: AUMC Family Camp at Lake Tahoe

Please talk to Yosh or Tina if you have any questions about camps. Pastor Kim and her family are another good resource. They can share their individual and family experiences with camps.

Finally, brownie points go out this month to Zachary Wakefield for being the creative genius that led to our “Journey to Jerusalem” map in the fellowship hall. Thanks, Zachary for sharing your ideas!

Peace and Joy,

*Tina Morris*
