Easter Services and Sunday School

We have three Easter services to choose from:
- 7:00 a.m. – Sunrise Service in the Chapel
- 9:00 a.m. – Regular Easter service in the Sanctuary
- 11:00 a.m. – Regular Easter service in the Sanctuary

Coffee fellowship will follow both regular services in the Fellowship Hall.

**Easter Sunday School**

Your children can attend either of the Sunday Schools held during the regular service times at 9:00 a.m. and 11:00 a.m. Sunday school will feature Easter crafts, including making an Easter bonnet or Easter hat, and we’ll have a baby animal “petting zoo” with chicks, bunnies, baby pigs, a lamb and perhaps a surprise or two!

Immediately following the 9:00 a.m. service, join us for a traditional Easter Egg Hunt sponsored by the Children’s Ministry Committee and the 2015 Confirmation Class and Youth Volunteers. Bring your own basket, please.

**Yard Signs**

Oops. We changed the time of the Easter sunrise service from 6:30 to 7:00 a.m. If you already have a yard sign (thank you!) please grab two stickers that have the correct time and place them over the "6:30."
We are about to celebrate Easter, the resurrection of Christ Jesus.

On Easter morning, we have three worship services (7:00, 9:00 and 11:00 a.m.) filled with music and celebration. And, we have a wonderful array of activities for our children during at the 9:00 and 11:00 services, and in between those services.

And then, what? After Easter morning, how will we live the Resurrection Truth: God’s Presence cannot be killed by hate, misunderstanding or fear? God’s Presence abides with us. The invitation is to both celebrate, and live, this Resurrection Truth.

Here are twelve ways to practice Resurrection now. I invite you to choose one or more, write it down, memorize it, live into it. (I’m choosing #8 and #11.) Let’s practice Resurrection living, as followers of Christ who are here to transform the world.

**Twelve Ways to Practice Resurrection Now**

1. Refuse to identify with negative, blaming, antagonistic, or fearful thoughts (you cannot stop "having" them).
2. Apologize when you hurt another person or situation.
3. Undo your mistakes by some positive action toward the offended person or situation.
4. Do not indulge or believe your False Self—that which is concocted by your mind and society’s expectations.
5. Choose your True Self—your radical union with God—as often as possible throughout the day.
6. Always seek to change yourself before trying to change others.
7. Choose as much as possible to serve rather than be served.
8. Whenever possible, seek the common good over your mere private good.
9. Give preference to those in pain, excluded, or disabled in any way.
10. Seek just systems and policies over mere charity.
11. Make sure your medium is the same as your message.
12. Never doubt that it is all about love in the end.

(Excerpts from Richard Rohr, *The Immortal Diamond*)

The message of Easter is a bold one. We should live each day with the conviction that the world is a place of redemption, renewal and hope. Each of us is molded in the image of Christ and each person in this world desires the opportunity to live a fulfilled life. Given this message of hope, it is fitting that our Easter Offering is devoted to two life changing outreaches – Rooms of Hope ([www.roomsofhope.org](http://www.roomsofhope.org)) and Axis Community Health ([www.axishealth.org](http://www.axishealth.org)).

Little known to many at our church, members of Asbury have been active with Rooms of Hope for several years. The mission is simple – provide a room makeover for children with life-threatening illnesses. The goal is to surround these children with love and create a personal space of hope and joy, as many of them literally fight for their lives. As one child put it, "My room is a reflection of me and why I matter in this world."

Representative of our work is makeovers for Andrew and Hannah in Livermore. Andrew is blind and endures a lifetime of feeding tubes, tracheotomy and heart monitors since most of his body organs were damaged during pregnancy. Hannah has cystic fibrosis and lung failure. Both kids were adopted, along with three other special needs children, by the same loving family.

Axis Community Health provides the health care safety net for low-income families. Serving over 14,000 residents of the Tri-Valley, Axis provides quality, affordable, accessible and compassionate care to those who would not have any otherwise.
Our worship in April will focus on The Heart of the Matter.

Jesus offered the disciples a post-resurrection message of empowerment to give to the world what he had given to them. This Easter Season we will encourage one another to truly live out the heart of the matter.

**Love is My Religion**

**April 5—Easter Morning**

After the events of Holy Week, the disciples are devastated. They are in the midst of full-blown grief and disbelief. Into the heart of that grief came a stunning revelation—life had overcome death. Love had won out over violence. Is this possible in our lives? Today’s worship will say, “Yes, it can! Come and see! Live and Love! This is the heart of the matter!”

**With Glad Hearts**

**April 12—Scripture: John 20:19**

To live "as Easter people" is to live knowing that death is not the final word. What would we do differently if we really believed that we are loved beyond all endings? That there was nothing to fear? How might we move into that Room of Hope and hear the Risen Christ say to us, "peace be with you." Special guests from the local organization Rooms of Hope, will be part of worship.

**Open the Eyes of My Heart**

**April 19—Scripture: Luke 24: 48-49**

The story of the last time the disciples saw Jesus is a story of blessing. Jesus says that as witnesses to his presence and resurrection, they too will be filled with power to carry on his ministry, to be his hands and feet in the world. To see the world through the eyes of Jesus is to see through the eyes of love.

**Kept in Our Hearts**

**April 26—Scripture John 14: 15-21**

Confirmation Sunday!

The resurrected Jesus tells his disciples that the Spirit will be with them when he is gone. Holiness resides within each one of us. It calls us to see that holiness in others. It calls us to do the right thing in the name of Love, even when the right thing isn't popular.

**Easter Offering (cont’d)**

(Continued from page 2)

As one client said, "I am 63 years old and not working due to health problems. I certainly cannot afford any medical insurance. A lot of people, like me, depend on the services that only Axis can provide."

Asbury is anchoring a Tri-Valley interfaith effort to help fund a new health center, effectively doubling the capacity of Axis to 60,000 medical visits per year. Our Easter offering will launch this important initiative and be matched by a generous grant that Axis will receive for all faith community donations. During April we will also be collecting supplies to stock newborn baby baskets for Axis client mothers.

**New Members’ Class**

Are you curious what it means to be a member of Asbury? Are you interested in exploring your commitment to discipleship and community here at Asbury? Do you crave deeper ways to connect with the Asbury community? Join us on May 17 from 7-8:30 p.m. in Room 13. Childcare provided. Contact Pastor Kim or Pastor Chelsea with any questions.
"Welcome, we are so glad you are here!" Those words of welcome, support, and love are what we all long for as we enter our churches and join in their ministries. As reported in last month's Articles, a Core Team of people is looking into helping Asbury become more welcoming of all people, including those within the LGBTQ community, possibly by becoming a Reconciling Church. The team welcomed two new members so we now consist of Leila Epperson, Bill Groth, Makayla Gully, Chloe Molvik, Martie Muldoon, Val Pace, Margot Platt, Larry Wiley, and Dale Boercker.

Val, Bill, and Margot attended a workshop in San Jose during which we listened to speakers from around the country and talked with people from Reconciling Churches in our area, learning from their experiences and sharing our vision of a more inclusive church.

The Core Team is entering a period of gathering information: listening with respect and Christ-like Grace to peoples' stories, questions, and values, sharing our own stories, and finding commonality and shared experiences and values. In the months ahead, members of the Core Team will be asking people in the congregation to sit down for in-depth conversations so we can get to know one another better and listen to what you believe and why. Please be patient. This is a long, slow process and everyone who wishes to speak with us will be given that opportunity. In the training that we've received for putting this process into action, we've been reminded that Jesus always approached with love those with whom He interacted. Our trainers have termed this aspect of the process "graceful engagement." Should the congregation find these in-depth conversations of value, it's entirely possible many of us will choose to engage one another in a similar manner and we will find ourselves to be even more welcoming and closer with one another than we already are.

As we read the Bible, we see many examples of how Jesus talked with all kinds of people: Each person is a beloved child of God. Every individual is God's creation. Even those whom the world would call enemies, Jesus engaged with Grace-filled love and commands us to do likewise. Encouraged by Jesus' example, prayer can lead us back again and again to an awareness of God's Grace. We ask for your prayers as we all try to discern God's will in welcoming anyone who seeks to be a followers of Jesus. May God bless and guide us all in this endeavor.

District Supt. Kristie Olah to Retire

We at Asbury United Methodist Church are part of El Camino Real District, and Kristie Olah has been our District Superintendent.

Asbury has a special relationship with Kristie, as she and her husband Bob were active members here up until the time Kristie was ordained. Kristie is retiring on September 1. See the letter from Bishop Brown below.

(Pastor Kim is on the Superintendence Committee, which meets regularly, and serves as a support and feedback group for our District Superintendents.)

Letter from Bishop Brown:
The Rev. Kristie L. Olah, District Superintendent for the El Camino Real District and Dean of the Cabinet, has announced her intention to retire on September 1. Her retirement will be recognized at this year's Annual Conference Session.

Bishop Warner H. Brown, Jr. said, "Kristie has given outstanding leadership as a District Superintendent and as Dean of the Cabinet. She has led the development of the El Camino Real District." He added, "Under her leadership, numerous new congregations and new language ministries have been developed."

Olah began serving as a District Superintendent under Bishop Beverly J. Shamana in July of 2008 in the former San Jose District. As the annual conference restructured and new districts were formed, Olah became the first District Superintendent of the El Camino Real District.

Olah says, "I have felt deeply called into the ministry of superintendency."

Olah says there are joys and challenges in supervising the 88 diverse congregations that make up the El Camino Real District. "I am passionate about helping each faith community, in its own unique context, to prayerfully seek out

New District Supt. Appointed

Bishop Warner H. Brown, Jr. has named the Rev. Staci Current to be the next District Superintendent for the El Camino Real District.

Current, who will assume the post September 1, 2015, will succeed the Rev. Kristie L. Olah who has served in this capacity for seven years.

Bishop Brown says, "Staci Current is a dynamic and passionate leader. She will be an excellent successor to Kristie Olah. Both of them share a passion and energy for ministry with the multi-ethnic communities of this diverse district."

Current is a native Californian born in Hollywood and reared in the Los Angeles suburb of Cerritos.

"I am very excited to be in ministry with the people of God in The El Camino Real district! I am confident that we will continue the great kingdom work that has already begun as we grow into a bright future together," said Current.

Current earned a Bachelor of Arts Degree in Political Science and International Relations from Spelman College in Atlanta, Georgia. She is a 1998 graduate of Claremont School of Theology (CST) earning a Master of Divinity Degree. Since 2009, Current has been the pastor of Jones Memorial United Methodist Church in San Francisco and was sworn in as Chaplain for the San Francisco Police Department in 2011. She has also held pastorates in the North Georgia and Pacific Northwest Annual Conferences. Prior to Jones Memorial, she was the pastor of Oakland’s Shattuck Avenue United Methodist Church.

Beyond the local church, Current serves on the Faith Advisory Board of the Helen Diller Family Comprehensive Cancer Center at University of California, San Francisco, a mentor for five candidates for ordained ministry, and

Living Our Faith in Haiti

What a wonderful reminder of how our efforts are making a difference in Haiti! This most recent trip reaffirmed that our program is offering great value and the opportunity for a better future to so many school kids. Thanks to each of our supporting congregations!

The recent late February and early March trip focused on progress reviews and technical upgrades at five schools. The school lunch initiative is going well. At the Thomas Methodist School and Ecole de Lespoir (School of Hope), our staff is providing about four hundred meals each day. For some kids, it is their only meal of the day. Perhaps someday we will be able to expand this initiative to other locations. That would be terrific.

It was a joy to observe students using the laptop computers as they explored various science and math topics. Particularly impressive is the success of our most recently added school – Hinche Methodist. After just three months, they have incorporated a hour per day per class of computer time. The principal gushed about what a difference this makes in student engagement. They also now have a computer based English Language learning session on Fridays.

We upgraded the solar capacity at three schools. These upgrades now provide three times the prior capacity. This offers more options for recharging the laptops, running the water purifier and powering limited lights. All of the water systems are working well. Each is providing 125 to 300 gallons of clean water per week for school use. Our pilot test of a sand purification system continues as we search for a way to remove sediment from the very challenging water source of one school.

As always, we spent much time playing with the kids. They so love recess with "the blancs" (white people). Frisbees, bouncy balls and bubbles provided "the fuel" for a fun time. This trip’s movie night featured Indiana Jones and the Raiders of the Lost Ark. Oh my gosh! The kids (and the adults for that matter) went crazy at each action scene. We handed out several hundred glow-in-the-dark necklaces and bracelets. Imagine, if you will, the magic of a movie night outside under the stars, glowing rings everywhere and abundant popcorn and lemonade. What a hoot!

These missions are very much about fostering an ongoing relationship. It is the regular commitment of serving our Haitian friends that keeps the small bits of progress successful. It is a blessing to live our faith in this way.

The April team will be providing eye exams at each school, offering glasses as needed, doing a variety of much needed school maintenance tasks and follow up on the "to do" list we created.

Within a month or so, we will begin planning our Fall mission, which will include addition of a seventh school to our program. Exciting!

Sincerely,
Steve Elliott, Mary Ellen Huey, Steve and Nancy Garnick

Livermore: A Clean Start for the Homeless

Asbury was written up in the Contra Costa Times on March 31 with an article about the laundry ministry. “A new laundry facility in Livermore is making it a little easier for homeless residents to care for their families and prepare for work and job interviews. The project is a collaboration between Livermore's Asbury United Methodist and Unitarian Universalist churches. A small existing building on Asbury's property has been turned into a mini-laundrette, complete with a fresh coat of paint, a supply of detergent, two washers and a dryer.”

Shower of Stoles Project

Fifty liturgical stoles from a collection of "The Shower of Stoles Project" will be on display at Lynnewood United Methodist Church in Pleasanton. These beautiful stoles and their accompanying written stories represent the lives and testimonies of lesbian, gay, bisexual, and transgender religious leaders from many different faiths who have served God while having to remain silent about their sexual orientation and gender identity.

All are invited to come and experience these incredible stoles and touching life stories. The exhibit will be available for viewing on Saturday, April 11 from 10:00 a.m.-4:00 p.m. and on Sunday, April 12, 10:30 a.m.-1:00 p.m. in the church Sanctuary, which is located at 4444 Black Avenue, Pleasanton.

Olah says she has been inspired and honored to serve with an excellent Cabinet team of superintendents and with Bishop Brown.
