Asbury UMC Voted to Become Reconciling

Thank you to all who voted. And many thanks to the Reconciling Team that walked us through this process for the last 18 months. Your prayers, leadership, and work led us to this moment.

221 people participated:

- 81.4% voted "Yes"
- 16.7% voted "No"
- 1.8% were "Not sure"

What next? What does this mean? I’m relying on a passage from the Bible:

2 Corinthians 5:18 & 20: "All this is from God, who reconciled us to himself through Christ, and has given us the ministry of reconciliation. So we are ambassadors for Christ, since God is making his appeal through us." God has given us this ministry of reconciliation.

While this statement was written at a different time for a different situation, it also offers us a way forward.

God has given us a ministry of reconciliation, meaning the restoration of friendly relationships. We are to be a faith community that openly welcomes all, regardless of sexual orientation and gender identity. The Church has struggled with this and in our Methodist Book of Discipline, we shun, rather than welcome the LGBTQ community.

While there is joy and celebration for many, please let us be aware that not everyone hoped for or voted for this result. Let us be attentive to those who find this news disappointing and scary. For Asbury is the church home for all of us, and we welcome all. Reconciliation starts here.

Sunday, June 5, 2016—We Need Your Voice!

Going forward, we will form a new committee, and I hope you'll attend and provide your input. A re-constituted Reconciling Team will hold its first meeting on Sunday, June 5, after worship. Martie Muldoon, our lay leader, will lead this meeting. The purpose of this gathering will be to consider how we live into being a reconciling church.

Different churches do this in different ways. Some have statements on their website, some in the worship bulle-

...in, some on the church sign. What is the right way for us to let the wider community know we are a safe and welcoming place? This committee will make recommendations to the Church Council, and Council will then vote on how we proceed.

Please consider being part of this Reconciling Team. We need a wide variety of voices so that we live into this in a way that truly represents Asbury. If you intend to be part of this team, please contact our lay leader Martie Muldoon, Pastor Chelsea, or Pastor Kim.

**Asbury’s 5 Year Plan: An Update**

Our leadership team has been working on a five-year plan since fall 2015. The goal of this process is to be prayerful and intentional as we move into the future. Rather than react to whatever topics come up, we want to respond to God’s call in our lives.

We met with a consultant, Jane Cooke of Results by Design, who guided us through a process. We sent out a church-wide survey to get your input. And then we held congregational meetings to share the results of the survey, and to get further input from all in the community.

Now we have a focus for 2016 and beyond. Our growing edges are: to nurture and retain existing Asbury members and participants; reestablish a Welcome Committee; enhance and improve communications; complete upgrades to technology in sanctuary; and complete a campus-wide assessment of our facilities.

We will continue to devote attention and staff to our ongoing operating objectives: worship, service and outreach, finance and administration; facility maintenance; faith group opportunities; music ministry and fellowship opportunities.

Our mission in all of these is to: Discover God, giving life meaning, purpose and joy. To live into our mission, we have core values that guide us: Centered in Jesus Christ, we grow in faith, celebrate community and serve others with love.

If you have questions or concerns, or feel called to be part of this process, please contact Pastor Kim.
General Conference 2016 Summary

From May 10 through May 20 United Methodist delegates from around the world met in Portland for General Conference. They engaged in worship, celebrations, legislative sessions, and worked together to help guide our church forward into the next 4 years. Here are some highlights from General Conference 2016:

After some contentious and tense debating among delegates, the Council of Bishops proposed a plan for the Church to move forward together around the question of LGBT inclusion and human sexuality. The Conference voted to approve their plan. The Council of Bishops will form a special committee of diverse voices and opinions dedicated to exploring all language relating to sexuality in the Book of Discipline with the possibility of modifying and/or removing it. They will prepare a proposal around this topic for General Conference to consider either at General Conference in 2020 or at a special General Conference in 2018 or 2019 if the committee is ready by then. General Conference 2016 agreed to stop discussing proposals about human sexuality until this committee returns with a proposal.

The General Conference delegates approved a general church budget of $604 million for 2017-2020, a slight increase from the 2013-16 budget of $603.1 million.

We celebrated 60 years of full ordination rights for women in the Methodist Church.

Delegates authorized the creation of a new hymnal, the first new hymnal since 1989. This new hymnal will be internet-cloud based and printed on demand.

General Conference voted to withdraw the United Methodist Church's membership from the Religious Coalition for Reproductive Choice (RCRC), the United Methodist Church was a founding member of the organization in 1973.

One Great Hour of Sharing will now be known as UMCOR Sunday, and General Conference added two new special Sundays to the Church year: Women's Ministry Sunday and Volunteer in Mission Awareness Sunday.

Africa University, a private university in Zimbabwe that was started and partially funded by the United Methodist Church, celebrates 25 years of education. Africa University has more than 6,100 graduates from 32 African countries, and more than half the students are female, more than double that of other universities throughout Africa. The United Methodist Church's investment in Africa University goes into scholarships for students, especially orphans and women, who have no way to pay for university education on their own.

General Conference celebrated the United Methodist Women's 150 anniversary, which will take place in 2019. United Methodist Women started in 1869 as 8 women responding to a lack of women's health care in India. Over the past 150 years it has grown to 800,000 members.
Our Children’s Ministry program is journeying through a Joyful Path Curriculum series where we will all be blessed by exploring: remembering God’s presence, giving our full attention to everything we do, growing and learning through all experiences including our mistakes, and knowing how kindness connects us as we understand the whole world is our home and we are all a divine family. We will be celebrating our fifth graders as they are promoted to Youth Group on June 12 during their Sunday school class time.

Please join Pam Tegge and me in welcoming Susannah Rudd and Olivia Howe to our loving nursery care staff. Lauren Franklin and Christy Sloan are moving away. Please make sure you thank them both for all the gifts of love and blessings they have shared with our community. We will miss them and their families deeply.

I was recently reminded how blessed our Sunday School teachers and I are as I watched a wonderful interview of Dr. Shefali Tsabary, author of “The Conscious Parent”. She shared with viewers how children come into this world with all they need, connected to God, and bless us as mirrors to show us in what areas we can grow spiritually. How wonderful to view children as not needing to be fixed, but to be presence to their perfect being while taking the time to understand who they are. I am very grateful to the Lord for the perfect and beautiful children of our community as they help guide all of us on our spiritual journeys.

Wanted: Summer K-5 Sunday School Teachers!

We are looking for Summer Sunday School Youth and Adult Teachers to add to our regular teachers so we all have opportunities to enjoy summertime worship services. Please contact Jackie Bennett through the church office if you would like to serve others in this life changing sacred ministry. You do not need to be a Bible scholar as our simple curriculum guides you effortlessly through sharing God’s presence with our divine children.

VBS Volunteers Needed!

Don’t miss out on the fun! Register and sign up to volunteer for Vacation Bible School by July 8. VBS will be Monday, July 25-Friday, July 29 from 9-12:00 p.m., with a lunch following our closing program on Friday.

This experience is designed for children entering kindergarten through sixth Grade. Our theme is “Christmas in July” with a variety of meaningful experiences of God through fellowship, arts and crafts, science, food, recreation, Bible stories, music, and serving others with love.

This will be our second year creating our own VBS “outside of the box” experience led by our imaginative team duo, Barbara David and Nancy Deis. This will be a wonderful time to experience a Holy Spirit led created curriculum, as it will radiate a unique excitement throughout the entire week, while building beautiful lifetime memories and relationships with each other and God.

Please contact Jackie Bennett through the church office if you are a youth or an adult interested in volunteering to let the light of Christ shine through you to make this an incredible experience of God for the children of our loving community. Registration forms for campers and volunteers are available online on our website and in our church office. Invite your friends to join us! Register by July 8, since space is limited.

United Methodist Summer Camps: Grades 3 and up:

Joy and Peace,
Jackie Bennett
Director of Children’s Ministry
By Tom Petty

It all started because my wife, Joanne, had retired from Chevron after a 14-year career. Both she and I had worked at Chevron for many years, and we were both regular blood donors at the American Red Cross drives sponsored by the company at their San Ramon headquarters. Joanne realized that after leaving the company, she no longer had a place to donate blood.

We live near the Lawrence Livermore National Laboratory, but like Chevron, it's a campus closed to the public. So I said, "I'll just start my own blood drive." I called my contact at the Red Cross, Erica Rainwater, and she said, "No problem! Let's get it going!" After talking with the Church Council, we got permission to hold our first blood drive in the old (tiny) Fellowship Hall on a cold December 31, 2002.

I burned up the phones calling people, and we had a respectable blood drive, collecting 34 units of blood, including one each from my wife and me. I talked to my mother that weekend, and she said, "So you're done, right? That's it?" I replied, "Oh no, we're just getting started."

We have held blood drives at the church every other month (with a short deviation to the Robert Livermore Community Center while the new Fellowship Hall was being constructed), until February 2013, when we started sponsoring a drive every month.

A Huge Milestone Reached

It's really hard to believe, but the community blood drive being held at the church on May 20, 2016, is now our one-hundredth drive. Wow.

Here are some crazy stats:

- Up through April 2016, we've collected 4982 units of blood (yes, we keep track!), and collected the 5000th unit in May (not sure who it was!).
- Over 2000 individuals have passed through the doors of our drive and donated blood
- Asbury UMC donors alone have donated well over 260 gallons of blood, and we have one donor who alone, has donated over 17 gallons of blood!
- Each unit of blood helps up to three people, so we've collectively helped save the lives of nearly 15,000 people in the Bay Area

Read the rest of the story here: http://bit.ly/1XH8z0G

Please join us and sign up for the next drive, June 17 by going to www.redcrossblood.org and using ASBURY925 as the sponsor code. You must be at least 17 years old (16 with parental consent) and in good health to donate.

100th Blood Drive Reached!
Senior/Retiree Luncheon
Thursday, June 2, 12:00 p.m.
All seniors and retirees are invited to attend the luncheon on May 5 at noon in the Fellowship Hall. The cost is $5 per person. Please sign up after worship or call the church office at 925-447-1950. For more information, please contact Mitchie McCammon at home.

Ladies’ Night Out
Tuesday, June 7, 6:30 p.m.
This month we will be going to Melos Pizza and Pasta (www.melospizzapasta.com) located at 4433 First Street. All ladies of Asbury are invited. Please let Nancy Grover know if you plan to attend so we can let the restaurant know how many to expect.

Dine and Dawdle
Thursdays This Summer, Starting June 23, 6:00 p.m.
Join us starting June 23, at 6:00 p.m. in the Fellowship Hall, every Thursday night through August 4.
If you don't want to cook or clean dishes, come and enjoy comfort food in the company of your Asbury friends for only $5 each or $20 per family! We have several fun activities planned along with the yummy dinner including barbecued burgers and dogs, chili cook-off, annual cake bake-off, movies and Asbury Readers Theater.

Asbury Players Readers Theater
August 4, 7:00 p.m. (after Dine and Dawdle)
Asbury Players Readers Theater presents 12 Incompetent Jurors, a comedy by Ian McWethy, in only 1 (one!) thrilling performance, August 4, 2016 at 7:00-ish (following Dine and Dawdle).

When a person is accused of abducting half a dozen cats, it's a simple open-and-shut case, even for a jury that's filled with oddballs like a dim-witted PR guy, a bickering couple and someone obsessed with french fries. After all, every scrap of evidence indicts the accused. (I mean, so clearly. The man is very, very guilty of stealing cats. Case closed!)
And yet, Juror #8, a wannabe lawyer, believes that the “Cat Burglar” is innocent. Will the other jury members be swayed? Or will they side with Juror #3, the only sane person in the room? (Any resemblance between the characters in this play and any other play is a miracle.)
If you would like to be considered for a part in this production, or have any questions, please contact Barbara David at home.
Weed Mission Trip: Determination

On the afternoon of September 15, 2014, a fire, set by a transient to stay warm, roared through the far northern town of Weed, California. Known as the Boles Fire, it was under control in only two hours, but not until it had completely destroyed 157 homes and 4 commercial properties, including the Presbyterian and Catholic churches. Everything in its path was burned to the ground. Herculean efforts saved the high school and the huge lumber mill, which provides work for much of the town. While no one died in the fire, lives were turned upside down.

UMCOR is funding a small volunteer program to assist residents with recovery. During the first week of May, Our group of 15 from Asbury UMC and Lynnewood UMC, traveled to Weed to help. We worked on three homes.

One of our projects was for Gary and his wife. He has a small auto body shop in town and like all of our clients, is doing much of the work, along with the help of family and friends, to rebuild his home. We finished installing siding and built a kitchen pantry. As with all of our clients on this trip, we were amazed by the determination each one had to rebuilding their own home.

Our second project was for Tiffany, Troy and their two children. Three years ago they bought a fixer upper and spent 1½ years renovating it themselves. Just as they finally finished, the fire burned it down. Since it was owner-financed, most of the insurance went to paying off the house, leaving them with only $10,000 to rebuild from scratch. This dynamic duo is pouring their lives into rebuilding, living in a camping trailer on their property during the process.

At the point we arrived, they had hit a standstill. They desperately needed to finish the siding (9’x4’ 150 pound concrete panels!) on the second floor of the house. Steve Wilson, from our team, devised an ingenious process for winching the concrete siding panel from the ground up to the second floor level. Tiffany was a whirlwind, working right alongside us up on the scaffolding to install the panels and providing directions with a contractor’s confidence.

Not only did we finish installing the siding, we completed the installation of a wraparound deck, turning two corners with a beautiful herringbone design; finished trimming all windows and installed much of the rustic exterior trim. Tiffany and Troy never dreamed that we would complete as much as we did and were absolutely thrilled.

Our third project was for Shannon. She had bought a small fixer upper with cash and closed on it mere two days before the fire burned it to the ground. She had no insurance, but scraped together enough to buy another small home that was in pretty bad shape. We prepped and painted all interior walls AND the exterior of the house. We tore out the shower and put in a tub, which Shannon needs for her medical issues. Shannon worked alongside us all week. She was so very thankful for the tiniest of help, like simply putting up a closet rod.

We saw God’s glory every day. This is one of the most beautiful places we have ever served. It was rewarding, working for people for which we so admired their grit and determination.

Asbury to Participate in the Habitat for Humanity Build-A-Thon

June 17-21, 2016

Expected to be an amazing couple of days, the goal of this year’s Build-A-Thon is to completely frame 6 homes in 5 days! The dates are Friday, June 17 through Tuesday, June 21, 7:30 a.m.-5:00 p.m. each day. Hundreds of volunteers will gather each day to pound nails. No previous building experience needed! Come for one or two days to share in providing affordable housing for families that need it desperately.

The fundraising goal is $300 per person, per day. While most participants will find that friends and family will support them, we also have scholarships available at Asbury. Stop by the Serving Others Table or contact Bob Hoffman for more information or how to register.

Yemen Family Resettlement Off to a Good Start

After arriving on May 9 from Turkey, our family, mother Abeet Naji Yahya Ahmed and sons Ali Ayed Matai (12) and Naji Ayet Matai (9) moved into an apartment in Daly City a week later.

Thanks to the outstanding support and donations from our participating United Methodist Churches we were able to easily furnish the family’s small, but nicely remodeled apartment. We will be adding more furnishings as needed. We also supplied a nice start on kitchen, bedding, linens and other household goods.

Working with Catholic Charities, the family will soon have access to income and food assistance and public medical benefits. We will be helping with the near term rent and utilities until Abeet has a job. The family has a very committed sponsor, Diya, who is assisting with many of the resettlement challenges and helping to integrate the family into the local community. The kids will be attending a local school. Everyone already speaks some English and seems very adaptable to their new surroundings.

We will be looking for additional help as needed. So stay tuned. Asbury, we appreciate your generous support!

Donate Dress Clothes to Wardrobe for Opportunity

During June, we are collecting new or used dress clothes for Wardrobe for Opportunity, an Oakland based non-profit that assists low-income job seekers with professional attire. Clients receive a one-on-one consultation with a stylist, who works with the client to put together a professional interview wardrobe. Once the client secures a position, they receive a week’s worth of business clothing appropriate to their new job.

We will be collecting men’s and women’s clothing and accessories that are undamaged, clean, dry-cleaned or ironed and on hangers (if clothing). The clothing cannot be “out of date.” It must be contemporary, suitable for today’s business world. We are interested in the following new or gently used items:

- Suits, dresses, blazers, blouses, skirts, pants, sport coats, dress shirts, coats
- Polo shirts, knit or jersey tops, jackets, slacks
- Belts, shoes, scarves, ties
- Earrings, necklaces, cuff links, watches, umbrellas, handbags and briefcases
- Bras and socks.

Bring your donation to the rack or collection boxes in Narthex or the church office. This is an amazing opportunity to help change a life. In addition to dress clothes, clients also receive other types of professional help – like practice interviews and image coaching.
Circles for Change wishes to thank the members of Asbury UMC for their support during East Bay Gives. Even through the serious technical difficulties of our web payment processor, you all showed up online and in person. Our goal was to at least meet our matching pledges that totaled $1000. Not only did we meet that number, your gifts helped us to exceed it by raising $2,300. When the matching donation is accounted for, we raised $3,300 in total. Thank you!

Please join us on June 1 at 6:00 p.m. for our first ever Circles graduation event. It signifies the completion of our Getting Ahead curriculum and a beginning wherein our participants' are to be matched with Allies to form a circle of support around them as they go forward to reach goals they have set for themselves in order to attain self-sufficiency. We welcome your attendance for the ceremony and for dinner, which will be provided by Open Heart Kitchen. Please RSVP by May 27 to Shana Peete.

Dear Asbury,

The words “Thank you” can’t nearly express the sincere gratitude I have for all of the calls, cards, visits and support you have given me recently.

Thank you all.
