In June after eighteen months of one-to-one talks, many meetings as well as several forums the Asbury congregation voted to become a Reconciling Congregation and join the Reconciling Ministries Network (RMN). When our application to join RMN was submitted we were informed that our Welcoming Statement, which we had assumed was adequate, needed slight modification. Our Church Council conducted a vote on the issue of adding one key word to our Welcoming Statement but subsequently discovered that changing our Welcoming Statement requires a congregation-wide vote. That vote will likely occur at our annual church charge conference in November. Meanwhile our application to join RMN is pending.

The Reconciling Church Committee has been replaced by the Reconciling Implementation Team chaired by Martie Muldoon and involves about sixteen members of our congregation. Membership and/or participation in the committee remains open and new folks are welcome. If you are interested contact Martie at the church office. The purpose of the group is to thoughtfully and prayerfully find ways to live into Asbury’s decision to become a Reconciling Congregation. Among the issues this group will address is that of recommending a revised Welcoming Statement for the congregation to consider in November. There has been discussion for some time to develop a more vital and encompassing Welcoming Statement.

As we move toward making some significant changes here at Asbury let us bear in mind, as Pastor Kim pointed out in last month’s Asbury Articles, "While there is joy and celebration for many, please let us be aware that not everyone hoped for or voted for this result. Let us be attentive to those who find this news disappointing and scary. For Asbury is the church home for all of us, and we welcome all. Reconciliation starts here."

There are numerous reasons for joining RMN. Asbury would be identified as a safe sanctuary. We could be more easily found by neighbors, new residents, and out-
The mission of the United Methodist Church is "to make disciples of Jesus Christ for the transformation of the World." In June, clergy and lay representatives of all the churches in our California-Nevada conference met for 4 days in Burlingame for our Annual Conference. It is a time of worship, of work as we set budgets, elect representatives, and discern how we as a conference want to move forward into the next year. It is a time of connection, where we not only get to see old friends and make new friends, but also get to hear what is going on at the various churches around our conference. One of the essential questions at the heart of the annual conference time is pondering, how are we living into our mission statement, how are we making disciples for the transformation of the World?

We heard from a new church plant reaching young adults in Oakland. The pastor of this new church shared that it started with a small group of young adults who noticed that many of their friends were spiritual but not religious. So they shared their "hunch" that life with God is better than life without God with their friends, and now are growing into a vibrant new community of disciples in Oakland! Their pastor spoke to the way lives have already been transformed by following this "hunch" about life with God.

We heard from another church in Mountain View, a church that has been around for a while but has slowly been dwindling. Instead of maintaining the status quo and waiting for the church to dwindle into nothing, they decided to re-start. As part of their re-start they began a feeding program for the homeless and hungry on Saturdays. They started feeding just a few folks; the numbers slowly grew till they were feeding about 40 people every Saturday. Then suddenly as many as 150 people began showing up looking for a hot meal. The church was surprised but delighted to be able to feed so many hungry people in their community. The pastor commented that the church is located on the corner of Hope and Mercy streets, and said how fitting a location that was as they are discovering the amazing way God's hope and mercy does transform us and our world.

We heard many other stories of ways churches in our conference are living out our mission of making disciples of Jesus Christ for the transformation of the world. And we shared stories with the friends we met of how Asbury is living out that mission here in Livermore. It was a beautiful reminder that we are all of us called by God to God's work in the world. We are all called. And this week we were reminded once again of the amazing things that happen when we say yes to God's call.

of-town guests. Asbury would join the movement to remove discriminatory language from the Book of Discipline. We’d be adding our voice to the local and national Reconciling movement so that we might live as disciples of Christ who calls us to be the light in the darkness and a neighbor to all.

"You are all children of God through faith in Christ Jesus, for all of you who were baptized into Christ have clothed yourselves with Christ. There is neither Jew nor Greek, slave nor free, male nor female, for you all are one in Christ." Galatians 3:26-28

(Continued from page 1)
We attend the meeting of the Cal-Nevada Conference of UMC held in Burlingame. There were representatives from over 370 churches present. We deliberated various legislative items and the next year’s annual budget. An extensive ceremony of repentance was conducted to offer repentance to the Native American Indian tribes in our geographic area who were abused, destroyed and relocated by our ancestors, some of whom were members of the early Methodist church in California.

In addition new pastors, deacons and elders were ordained and existing pastors were reappointed.

We are grateful that our pastors Kim Risedorph and Chelsea Constant were appointed for another year of service at Asbury.

This was a historic conference in that 3 of the 8 new pastors ordained by the Bishop were openly gay pastors, and our delegate voted to represent our conference in the pool of nominated pastors to be considered for the position of Bishop was an openly gay pastor, Reverend Dr. Karen Oliveto from Glide Memorial UMC in San Francisco.

All churches are asked to tithe 10% of their stewardship donations received back to the Conference budget so the conference office can pay their expenses, and fund the greater missions work of the church like UMCOR and others. Asbury always meets this commitment and we make our contribution annually. The conference also asks for “Extra Mile” giving of an additional 1% and Asbury is one of the few churches that also completes the Extra Mile tithe. We help fund some of the most important ministries of our conference with this additional giving.

It was an honor to represent Asbury at this year's Annual Conference

Happy Summer! During July our Children’s Ministry Program will be journeying through a Joyful Path Curriculum series where we will all be blessed by exploring: sharing makes happiness grow, self-control with a focus on I am in charge of myself, stillness a place where I experience peace and know my true self, and I am patient and calm in all I do. Children are earning prizes for memorizing Bible story-inspired affirmations and the Lord’s Prayer.

We’ll post the sermons only publicly there as well as Asbury’s YouTube channel: youtube.com/c/AsburyliveOrg
Soon, we’ll stream the live service to the Fellowship Hall too, so watch for that!

Facilities Update

Have you noticed all those odd looking waste receptacles in the Fellowship Hall? Been in the kitchen and noticed there are three types of waste bins now? And how about that new green dumpster? Well, Asbury is going GREEN!

We were really already there, our Garden of Grace really was the first step, growing fresh food for Open Heart Kitchen and others, and using the kitchen scraps as compost. And we have always recycled paper. What we were missing was a way to capture all the compostable material that is generated by Open Heart Kitchen, Dine and Dawdle and all the other events we have in the Fellowship Hall.

The office has even adopted this new process as well so all the recyclables and food waste are no longer trash!

By adding a way to compost, we should eventually reduce our landfill waste by over 50%, and show the community we are supporters of this important way of life.

Look for nice new receptacles in the Fellowship Hall soon, we are not only doing the right thing, we are going to look good doing it!

If you take a walk around the campus you will notice that the Chapel carpet has a shiny new look, it's CLEAN! We've asked our cleaning crew to make sure the outside tables and chairs are clean so that our members can sit outside and enjoy our beautiful campus. We have new outside waste receptacles coming, and the Sanctuary floor is going to get a clean and shiny makeover.

If you have issues or concerns about our campus, please reach out to me so we can discuss. Asbury is your community and we want it to be clean, safe and beautiful!

Thanks

Asbury Players Readers Theater

August 4, 7:00 p.m. (after Dine and Dawdle)
Asbury Players Readers Theater presents 12 Incompetent Jurors, a comedy by Ian McWethy, in only 1 (one!) thrilling performance, August 4, 2016 at 7:00-ish (following Dine and Dawdle).
When a person is accused of abducting half a dozen cats, it's a simple open-and-shut case, even for a jury that's filled with oddballs like a dim-witted PR guy, a bickering couple and someone obsessed with french fries. After all, every scrap of evidence indicts the accused. (I mean, so clearly. The man is very, very guilty of stealing cats. Case closed!)
And yet, Juror #8, a wannabe lawyer, believes that the "Cat Burglar" is innocent. Will the other jury members be swayed? Or will they side with Juror #3, the only sane person in the room? (Any resemblance between the characters in this play and any other play is a miracle.)
If you would like to be considered for a part in this production, or have any questions, please contact Barbara David at home.
Fertile Groundworks Updates

Fertile Groundworks Annual Fundraiser
August 20, 2016 4-7:00 p.m.
We will be hosting our annual fundraiser this year at the Garden on Saturday August 20 from 4:00 to 7:00 p.m. This has been held at a local winery for the past two years, but this year we are having a good ole family fashioned BBQ at the Garden using some produce from the garden. We will have silent auction items, special projects in need of support, tours of the garden, tomato tasting, and games for children. This is a family event so bring the kids and we will have games and demonstrations for the little children.
The Livermore Rotary Club will be assisting with the BBQ.
Tickets are $25 per adult and $5 per child up to age 12, available on the website, www.fertilegroundworks.org under the “JOIN US FOR DINNER” tab.
Fertile Groundworks is a very significant mission outreach to our community. With your help we have provided 15,000 pounds of healthy organic vegetables to Open Heart Kitchen and other food pantries in our community. We had over 500 volunteers give us 6,500 hours of labor in the last year to help make this happen.
Come join us for a Garden BBQ on August 20, enjoy good fellowship and see the high output food production our garden team has made possible with your help.

What’s Going on at the Garden of Grace, Summer 2016?
Read the entire article here => http://bit.ly/29c2Dd1
After a year hiatus for squash production and reduced plantings in 2015 to conserve water, Fertile GroundWorks' Garden of Grace is gearing up for a record year in production of delicious and nutritious produce for those in need.
We planted 336 tomato plants this Spring which is about the same number that we planted in 2015 when we harvested a record yield of 4,761 pounds of tomatoes. We also planted about the same number of eggplants this year as last (185) when we harvested 637 lbs. of fruits. We have planted 954 pepper plants; over 350 more than we planted last year! If we harvest the same weight of fruit per plant as we did last year when we harvested 1,666 pounds of peppers, we will expect to produce about 2,600 pounds of peppers this year.
Bell peppers are very nutritious, really liven up the entrees and are of great value since they are relatively expensive for Open Heart Kitchen to obtain.
This year we will be producing a substantial amount of Summer and Winter squash. We already have 95 feet of planned 4-foot beds planted and zucchini. If our yield is reflective of past years, and we don’t suffer a great deal of loss to squash bugs, we should produce about 1,400 lbs. of tender zucchini.

The California Nevada Conference helping with a long term recovery coordinated by Calaveras Recovers. We will carpool to the area on the afternoon of Sunday, September 25, work starting Monday morning and return on Friday, September 30 in the afternoon.

We will be staying at Camp Lodestar. The Camp has sleeping rooms, a kitchen, gathering areas and showers. The cost of the trip will be $175. Scholarships are available. Join Us at Habitat for Humanity in July

July 16, 2016

On the third Saturday of each month, Asbury volunteers are needed to join other faith communities to build Habitat homes in Martinez.

Our next Saturday workday is July 16, 2016. No experience is necessary—just a willingness to help and learn.

The first ten homes are completed and we are now working on the next phase of new homes.

Youth 16 and older can work on construction and are encouraged to participate. Work at the site starts at 8:30 and ends by 4:00. We carpool from Asbury, leaving at 7:40 from the parking lot by the office building.

For information or to sign up come to the Serve Others with Love Table after worship, or contact Bob Hoffman.

Join in the Fun, Help Sponsor a School Backpack

Livermore's Interfaith Backpack Project is in its third decade of providing school backpacks, filled with educational supplies, to children from families who are unable to afford many of the expenses that come with starting school. The recipients are chosen based on recommendations from teachers or other individuals, such as pastors.

Asbury, a founding member of this project, is one of 13 congregations that distribute over 800 backpacks each year to Livermore school children. Asbury's 2016 commitment is for 100 middle/high-school backpacks. These will be funded through a special offering on July 10 or by making a donation anytime during July. Just designate your donation to "Backpacks." This year's backpacks cost $45 each and include a $20 shoe certificate.

On Thursday, July 14, we'll be stuffing the backpacks with school supplies after Dine and Dawdle. The backpacks will be distributed the morning of Saturday, August 13. Members of the congregation, over 18 years of age, are invited to help with the distribution.

Contact Austin Gnecco for more details. Austin is leading this year's program as his Eagle Scout Project.

Circles for Change Graduates Its First Class

By Carol Graham, Independent News, June 23, 2016

Read the entire story here: http://bit.ly/298IlD8

As the woman with the million-dollar smile shook the mayor's hand, it was hard to imagine she had a care in the world.

Perhaps we all look like that to one another.
"In our culture, we tend to get the glossy story about people's lives," said Lucas Hergert, minister of Livermore's Unitarian Universalist Church. "But what I have found is that the glossy stories are not the ones that are the most inspiring. Challenges can be where we learn our most important lessons, find our courage and our faith, face down our fears, locate our compassion for others who are in need, and discover how to ask for help."

On June 1, Hergert was the keynote speaker at a graduation ceremony held for the first class of Circles for Change, a community-based program that assists Tri-Valley families in achieving financial self-sufficiency. A dozen graduates were honored for having completed an intensive four-month curriculum focused on assessing current situations, identifying what abundance looks like, learning how to budget, and setting life goals for the immediate future.

Before shaking Mayor John Marchand's hand, graduate Gail Gilbert addressed those in attendance.

"I would like to extend a warm and sincere thank you to all who have supported us during this time of transition and crossover," said Gilbert. "We appreciate immensely the mercy and love that has been demonstrated throughout this group and within the community on a weekly basis. Our souls have gotten stronger and our confidence is rising as we prepare to step into the hopeful positivity that awaits us, following the hard groundwork we have done together."

Gilbert, who joined Circles after a loss of income led to homelessness, said the most important lesson she's learned is, "to be open to change, willing to change, and to embrace change. I love the people that I'm growing with during this transition, and the community's awareness as they become enlightened to the plight of many cities, not just Livermore."
